EXPERIENCE

Written articles for the University

- I wrote an article about my experience at Alliance as a fresher which was published in the magazine of the university.
- Wrote an article about a stock market workshop held at the university that my entire cohort attended.

Fests in University

- As part of Athlos' Marketing team, I secured sponsorships from local businesses and invited universities to participate, improving my communication, negotiation, and lead generation skills.
- Contributed to the success of the Alliance literary festival by volunteering and enhancing my coordination and communication skills.

MCing/Hosting

- Hosted the open mic for the HR club of the university.
- As a Start-up Club member, I have MCed events such as the inauguration, badging ceremony, and podcast sessions, which improved my public speaking and event management skills while promoting entrepreneurship and innovation.

Class Representative

- As the class representative, I have improved my coordination, problem-solving, and communication skills while fostering a sense of community among teachers and students.

Research Paper

- I am currently collaborating with Mr. Sarit Maitra, who is a Professor of Business Analytics and Data Visualization, to co-author a research paper.
